Student's work

Dear Mr Murphy,

I work for my school magazine "Talking in School". Thank you for agreeing to do an interview with our school magazine. I am writing to ask you a few questions about it and to give you some information.

We would like to ask you about having cooking classes at school in order to learn how we can cook healthy and delicious dishes. We would like the interview to take place in your restaurant, because it is the best place we can choose. Is this possible?

I wonder if you could prepare one or two easy recipes for our students. Because of this, I think our readers will be very interested in reading this article. Do you think we could take some photographs?

I look forward to hearing from you.

Yours sincerely,
Catarina Xu

My favourite hobby

My favourite hobby is horse riding. I love it! I usually go to the equestrian centre on Thursdays after school.

Sometimes I ride Bénur, the most beautiful horse of the world. Other times I ride Oslo, it's faster than Tangerina, a little horse.

Last month I won a competition in Spain, my first competition.

I love horse riding and I will love it forever!

POEM

Hey there Cameron Dallas,
We've never met
But I saw you with the koalas
When you went to the movie set.

Let me love you
That's what Bieber said,
And I say this to you
And I hope you're not sad

I see you on a screen
On Snapchat, YouTube and Instagram
And I know you are my dream
I have to leave now
But I'll come back like a boomerang.

Singing Contest

I've always enjoyed listening to music. Actually, I'm constantly with the headphones in my ears listening to my favourite songs, while I'm doing homework, in waiting rooms and when I'm in the car. So, as you can predict, I also love singing. That's why I went to the singing contest in Lisbon last year.

I was really nervous because the judges seemed very demanding. On their tables there were four red buttons for each judge, and in the middle a silver button and a gold button. If they pressed the silver button, you would be directly cleared to the quarter-finals and if they pressed the gold one, you would be the winner of the worst... Oh, wait, I forgot to mention one thing! It was "The Worst Singer" contest! I have never sung well, but I really wanted to win something doing what I like.

So, as I was saying, I was really nervous. I knew I sang terribly, but people said it gets better with practice, and I've always sung a lot in the shower.

However, all my doubts were gone when I got on stage and started singing. At the same moment that I opened my mouth, the judges started shouting "SHUT UP!", and then they pressed the gold button.

I was so happy! I won!

Summer is the season of the year that we can do everything, because the sun combined with the heat greatly facilitates the various possible activities to do.

In my case, I take advantage of the summer holidays to go to the festivals, in particular the "NOS Alive" or the "OS Primavera Sound".

On the other hand, I also like to go to an esplanade at the end of the day and eat an ice-cream, or go to the beach and get some sun to darken the skin a little. I usually also take advantage of my vocation to travel both inside and outside Portugal.

Last year, together with my parents and my girlfriend, I went to Nazaré and Berlenga island. Two years ago I went to Vienna and it's a very beautiful city probably, the most beautiful I've ever seen.

Finally, this year I have plans to go to Egypt.

Devesa Park

Devesa park is one of the most popular parks in Famalicão. This is a beautiful and natural park and it is open during all year.

The park is located in the centre of the town and there is free parking for visitors and you do not need to pay anything to go there. You just have to bring some energy.

If you want to relax and spend quality time with your family, your friends or by yourself, the Devesa Park is the right place. In Devesa Park you will find green spaces to walk, jog, take a nap, go with your pets. Having a picnic is also a good option and there is a café too. In some times of the year there are concerts and academic parties for you to enjoy.

I'd definitely recommend you to spend a day in Devesa Park, particularly if the weather is nice. It is for people of all ages and you will really enjoy a day out there.

Recipe of black kisses

Ingredients

1 egg
100g of chocolate powder
100g of sugar
100g of coconut powder

We need to add the chocolate powder to the egg and mix it very well.

Then, we add the sugar and the coconut powder.

When everything is well mixed we need to make small balls.

In the end they go to the fridge and then we eat them.
