Now write your own secret messages to your friends!

-How did the phone propose to his girlfriend on Valentine's day?

He gave her a ring!

You're fun to hang around with!

-Why did the banana go out with the prune?

Because he couldn't get a date!

The worst thing I ever bought online!

A month ago, I bought some jeans from the Salsa website. The jeans that I ordered were a darker blue than usual and on the website, it said that the jeans were skinny jeans.

The first problem was that the order took a long time to arrive but when I opened the box, they looked OK. The worst problem was that when I washed the jeans, the colour disappeared.

My advice is to avoid this site because the jeans were very expensive and they were not worth the money!

Hi Freya,

Thanks for your email! I was thinking about writing to you so I'm glad that you did. Having a party in your class sounds great!

I think you should cook something adventurous. I know that you are a good cook and for that reason you could risk it and surprise your friends.

I suggest you make something sweet like a cake or the dessert you made when I went to your house. It was delicious! People would prefer something sweet than healthy and you know it's a party!

What about cooking "Jesuita" that is typical here in St Tirso? It's really good and it's my favourite. It's a bit difficult to make but I know you'll do great!

Good luck with your cooking! Write soon and tell me how it went. Bye for now!

Lots of love,

In the morning I usually get up at 7 o'clock. I don't have breakfast, but I have coffee at work. I always walk before going to work.

I go to work by car at 9:00am. I have lunch at 1:00pm with my friends at the restaurant.

My job finishes at 6:00pm. I work 8 hours per day six days per week because I like my job very much. I sometimes have English classes two days per week.

In the evening I have dinner at 8:00pm and after dinner I watch TV.

I have a shower and I go to bed at 11:00pm. On Sundays I have lunch with my partner at a restaurant and after lunch we go to the shopping center.

Benjamin Franklin's saying

You know what it's like. You stay up late and the following day you can't get up before lunch.

Have you ever heard the saying "Early to bed and early to rise makes a man healthy, wealthy and wise"? It means that someone who gets enough sleep and starts work early in the day, will have a successful life.

Apparently, this saying is by Benjamin Franklin, one of the Founding Fathers of the United States. Benjamin believed that waking up early makes us more productive and healthier people. In fact, recent studies agree with this saying and list a number of advantages, such as reduced stress or fighting negativity.

Do you know what the interesting thing is? I've started applying this saying in my life because I changed my work schedule. I have improved my productivity and I have slept well since then. So next time you hear someone say these words, maybe this person is right!
