Jumping from heights

Rebecca knew it was difficult, but she wanted to try. She, together with some friends, decided to go bungee jumping. She was the first to go, she was standing near the deck with the harness on ready to jump. Her friends were beside her watching everything.

She was scared but she didn't want to show it. "I'm 19 for God's sake, why am I scared?" she thought to herself. "Don't be scared, we have crew down there to get you after you jump" one crew member said. She smiled to him trying to keep the tough posture. "Here you go" another crew member said, putting her in position. She took a deep breath and when she realized she was already in the air. "This is amazing!" she thought to herself.

"This is the most amazing thing I've ever done!" she thought as she flew through the amazing view.

When she got to the ground a crew member helped her out of the rope and harness and she got a little sad that it was already over but couldn't wait to see her friends jump. One by one, they all jumped and loved it! When they left, they agreed that they would do this type of thing again.
