WELCOME BACK STUDENTS!!

We hope you all had a wonderful and restful holiday. As we step into this new year, it's the perfect time to refresh, refocus, and set our sights on success.

To those who had a great first term, keep up the fantastic work! For those who may not have done as well as they hoped, remember: it's never too late to turn things around. Every new day brings a fresh opportunity to improve, grow, and shine.

Stay positive, stay determined, and remember that your teachers and peers are here to support you every step of the way. Let's make this term one to be proud of and create a year filled with growth, learning, and success.

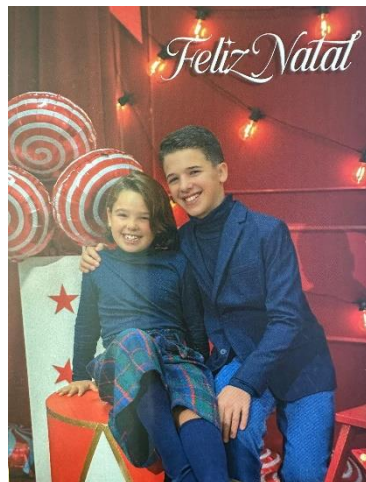

Here's to an amazing year ahead! ✨

OUR FAREWELL TO 2024 WAS AWESOME!!!! Thank You Santa Snr Vitor (ST)

BRAIN TEASERS

- 1- Imagine you're in a room that is filling with water.
There are no windows or doors.
How do you get out?
- 2- You are a cyclist in a cross-country race.
Just before the crossing finish line you overtake the person in second place!
What place did you finish in?
- 3 - A man was driving a black truck.
His lights were not on.
The moon was not out.
A lady was crossing the street.
How did the man see her?
- 4- You live in a one-story house made entirely of redwood.
What color would the stairs be?
- 5- What can you hear but not touch or see and yet control?
- 6- Do you know what you can hold without ever touching it?
